

Thank You

To: RUSSIAN MOSAIC Festival Sponsors and Festival Supporters

Date: December 31, 2008

"THANK-YOU!"

Those are small words for the amount of appreciation and gratitude we have for all you have done to support RUSSIAN MOSAIC Festival. While as you know, with the forced reschedule due to flooding conditions, the '08 festival faced many challenges. However, with the global events that have taken place in 2008, we are humbled by the blessings we have in partners and friends like you.

With what is happening in the world today it is more important than ever that we bring joy and hope to our RUSSIAN MOSAIC Festival in 2009. RUSSIAN MOSAIC Festival was created to help celebrate our community heritage. Also, most importantly, the vision of the festival is to stimulate the local economy and provide a venue for civic, church and school organizations to fund-raise. Many of these organizations support causes and provide services that otherwise would most likely be provided by tax dollars.

While attendance numbers were down in 2008 from prior years, more out-of-county visitors came to the event than ever before.

Your contribution to this festival is far reaching and more important than you may realize. As you enter 2009, best wishes for a year of prosperity, good health and renewed, positive vision for your corner of the world. Thank you for being a part of RUSSIAN MOSAIC Festival, the RACC Russian community Festival.

Sincerely,

Alex Koropovs
